### Garlic Mustard Pull-A-Thon

May 19, 2-4 PM (Rain Date: May 20) Meet at the Picnic Point entrance.

Join us for this marathon event! Supporters pledge money for every 30-gallon bag of garlic mustard collected; the more garlic mustard we pull, the more money we raise for future invasive species control efforts in the Preserve.

Help us pull and/or pledge money. You can pledge as much per bag as you wish and can also set an upper limit to your pledge. Pledge forms are available at the Friends of the Preserve website: <http://waa.uwalumni.com/lakeshorepreserve/>. (Click on the **Pull-A-Thon** link.)
